

Property Valuation & Advisory (WA) – update on response to COVID-19

26 June 2020

While *Working From Home* has had its advantages, we are pleased to announce that PVA(WA) staff are now back in the office and our business is regaining a sense of normality.

We continue to be committed to practicing safe workplace principles by following the guidelines set out by the Australian Government Department of Health on how to protect ourselves and others. The safety and health of our staff and clients is of utmost importance.

We would like to thank clients who used our services during 'lockdown' times and look forward to Phase 5 when we can all return to *normal* – in whatever form that may be.

Should you wish to talk to or meet with us to discuss your property valuation requirements, or to obtain some property advice, our contact details are below. We look forward to hearing from you.

Kind Regards
